## GUARDIAN FORM EUROPEAN CHAMPIONSHIPS - Sprint

The undersigned parents or guardian, the undersigned team leader, the undersigned member federation's president, the undersigned driver and if appropriate the undersigned nominated person to replace the parents or guardian during the event are aware that the

**nominated driver:** \_\_\_\_\_

**born:** \_\_\_\_\_

is not an adult by his national country laws and/or born by the national laws of the hosting federation at the time of the first heat of the European Championships.

It is their wish that the respective driver competes at the European Championships in the following categories:

**nominated driver:** \_\_\_\_\_

All the undersigned guarantee that the day before the first heat of the event they (at least the respective driver together with the team leader and the parents or guardian) will inspect the respective category's trail in the whole length to make a decision together concerning the safety of the trail compared to the skills of the respective driver. Every day of the competition the respective driver is at the starting line means that a positive decision concerning safety of trails has been made. If the parents are not at the racing site this responsibility lies with the team leader or another person nominated by the parents.

The nominated person for the respective driver is:

**nominated driver:** \_\_\_\_\_

All undersigned declare that they take full responsibility for the respective driver and will hold ESDRA and its officials and the Technical Organiser of the European Championships and its officials free of any claim and liability and any other expenses coming from the fact that the respective driver is not an adult and as such having or causing troubles throughout the event.
