On Snow cup calculation is OK.

The EC On Snow in Skelleftea was very well organized, even with non abundant snow. The location was well chosen and very well equipped in all needed facilities, as well as the possibilities for holding the different prize giving ceremonies were exceptional. A very memorable event.

The EC Off Snow will be held on the planned dates (November 28-30<sup>th</sup> 2008) in Rastaede, Northern Germany near Oldenburg and Bremen.

We are looking forward to a large participation and a nice event.

Candidates for **2010 EC's** (on snow and off snow)

ESDRA finances are in good standing thanks to our excellent treasurer.
